ô 9, Salvation crescent, Obantoko., Abeokuta, ogun 110101

I am experienced in the Design Fields as a Graphics and front-end designer. Having worked with different companies, as a freelancer and with other institutions, I can boldly work productively on any task I see within my capabilities. I tend to see through events and problems making me a great problem solver. I believe I don't know everything but I can learn anything
